

The Committee appointed by the Company to Class the Proprietors according to the Mode of partition in such way as to enable them to Draw for the remaining parts of the Six Townships the Directors were authorized to sell 1/2 of the fractional parts of Townships not set out to any of the proprietors; having completed the business of these appointments they made their Report, which report was approved of and accepted, and is preserved on file among the papers belonging to the Company. In which report the Committee upon calculation found it necessary for a proprietor or proprietors to hold a sum or interest of Thirteen Thousand Three hundred thirty three & 1/3 Dollars of the original purchase of this State, in order to entitle him or them to draw one Draft or one Ninetieth part in said Six Towns as reported by the Equalizing Committee herein before recorded. Which Sum of Thirteen thousand three hundred thirty three & 1/3 Dollars being made out and apportioned to the different proprietors by said Classing Committee the Company proceeded to draw in the manner following, in conformity to the Mode of partition.
