

NOTICE OF PUBLIC HEARING #2 FOR THE TRUMBULL COUNTY PY2026 COMMUNITY DEVELOPMENT BLOCK GRANT
(CDBG) CRITICAL INFRASTRUCTURE GRANT (CIG) PROGRAM

Trumbull County intends to apply to the Ohio Department of Development for funding under the CDBG CIG, a competitive, federally-funded program administered by the state. The county is eligible for up to \$500,000 in funding for high priority, single-purpose, projects, such as roads, flood and drainage and other public facilities projects with high community-wide impact and that benefit primarily residential areas for Program Year 2026. The county intends to apply for \$317,645.90 in competitive CIG funds for the Frederick Street Storm Drainage Infrastructure Improvements Project located in Liberty Township. On March 3, 2026, the county conducted its first public hearing to inform citizens about the various CDBG programs, how it may be used, what activities are eligible, and other important program requirements.

Based on input received from eligible communities and local officials' assessment of the county's needs, the county is proposing to undertake the following CDBG activity through the CDBG CIG in Program Year 2026.

PY2026 CDBG Critical Infrastructure Grant Program - \$317,645.90
Frederick Street Storm Drainage Infrastructure Improvements Project
Area Wide Low-and Moderate-Income (LMI) Benefit Area
Census Tract 9319, Block Group 3 (86.30% LMI), Liberty Township, Ohio

A second public hearing will be held Tuesday, April 14, 2026, at 5:00 P.M. at the Liberty Township Administration Building, 1315 Churchill Hubbard Rd., Youngstown, Ohio 44505 to give citizens an adequate opportunity to review and comment on the county's proposed CDBG CIG application, including the proposed activity summarized above, before the county submits the application to the Ohio Department of Development in June.

Citizens are encouraged to attend this meeting on Tuesday, April 14, 2026, at 5:00 P.M. to express their views and comments on the county's proposed CDBG CIG application. We will provide an overview of the CDBG CIG Project covered under the Second Public Hearing.
