Transportation Registration Form Instruction Page

Trumbull County residents age 60 and over who may need transportation must make a one-time application as found on the next page. The transportation application form can be accessed, if not already received, via the senior levy website at <http://seniorlevyservice.co.trumbull.oh.us> or the contract information as listed at the top of this instruction sheet. Please return the application **along with proof of age documentation.** **PLEASE NOTE: REQUIRED PROOF OF AGE DOCUMENTATION MUST ACCOMPANY THE APPLICATION and ALL questions answered or the application will not be requested.** If application is not on file, transportation will not be scheduled or provided until registration is received by the Transit Administrator.

Upon request, you will receive a one-page application as well as the flyer of information regarding the transportation that is available to you. If the consumer requests the information by e-mail or provides an e-mail address on the application, the information will be e-mailed back to you from the following sender: cesalamo@co.trumbull.oh.us and the subject line will read TRUMBULL COUNTY SENIOR TRANSPORTATION . Remember to check your e-mail. Keep that flyer handy as that document has the numbers you will need to request your transportation.

Once you receive notification that the application has been approved, you can begin to schedule the following day. Remember to schedule at the latest two days prior to the requested need. To schedule, when you call the providers, if you are on the updated list, your transportation request will be filled. Should your name not appear and you are denied that trip, contact Mike Salamone (information at the top of this page).

This program is available in part from Senior Levy Funds.
